

Your support is important to the work of the New Jersey Tree Foundation, and is greatly appreciated. Your gift helps us to:

- Revitalize urban communities with beautiful shade trees.
- Assist New Jersey residents in planting trees in their neighborhoods.
- Educate students, adults and volunteers in the importance of community forestry.
- Involve volunteers in tree planting and maintenance programs throughout the state.

The NJ Tree Foundation is reforesting NJ's cities, where the need is greatest. Through tree plantings, volunteerism and partnerships, we assist communities across the state in improving their environment and quality of life.
